## Things you must know

If you are here, you've definitely made so far. Here is the secret sauce for Char Dham Yatra planning. The Char Dham Yatra is not that easy now, as it was a few years back. In 2024 it requires proper documentation and pre-booking of hotels and cab to avoid hassles and disappointments. Uttarakhand Tourism and authorities sent thousands of pilgrims back to their origin from Haridwar for not having valid Char Dham yatra registrations.

The Char Dham Yatra really is a penance which requires an early wake up, almost every morning and things go in timelapse. 10 Days Char Dham Yatra plan is a best match for budget travellers or for the people with a very tight schedule and this tour also doesn't include Haridwar. For more comfortable and extended Char Dham Yatra options you can check out these similar [Char Dham Yatra packages from Dehradun](#). Here are some important things to know before you begin your Char Dham Expedition from Dehradun.

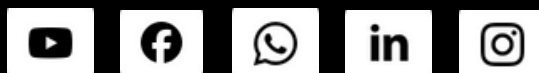

Yatra Registration: First of all, you will need to register yourself online for the Char Dham Yatra at the official website of [Uttarakhand Tourist Care](#). - Prices: Rates may fluctuate with any change in services/hotels. The difference in the cost shall be borne by the client in case of any amendment in the package due to an increase in the number of nights, guests, hotel change, etc.

- Devbhumi Tourism reserves the right to rearrange the itinerary due to any kind of disturbance that occurred (i.e weather condition, political condition or any others) without changing the total number of days and without compromising any service.
- Char Dham Yatra sector has one of the most dramatic weather play in the country and the weather is unpredictable, the hotels and their facilities over the Himalayan remote places can not be compared with equivalent hotels in other parts of the country and cities.
